

PREMIUM BATTEN FENCING

AVENTIS

Aventis is a premium aluminium batten fence system designed to protect architectural intent on real-world sites. Featuring Urban Group's ProTexture™ powder coat finish, precision aluminium top caps, and fully raking panels, Aventis delivers clean, continuous lines with long-term durability and minimal maintenance.

Engineered for modern residential and architectural applications, Aventis offers the refined batten aesthetic designers love, with the durability, install efficiency, and low lifetime maintenance that set it apart from timber and standard aluminium alternatives.

Features:

- ProTexture™ powder coat finish
- Durable aluminium top caps (not plastic)
- Fully rakeable
- Available in 65mm fins with 30mm or 65mm spacing
- Strong, long-life aluminium construction
- Matt Black and Matt Appliance White as standard. Custom colours available on request
- Available in a range of heights
- Pool and balustrade compliant

Ideal for:

- Residential
- Pool fencing
- Balustrading
- Parks, playgrounds, and streetscapes
- Architecturally designed homes and sloping sites

Care & maintenance

To best care for your fence, meet warranty requirements, and to extend the life of our products, we recommend washing down all exposed metalwork, including panels, posts, gates and fixings every 6 months, and every 3 months in sea spray and geothermal locations. For full care and maintenance information and instructions, please see the Urban Group Care and Maintenance document.

Warranty information

We provide a 10year warranty on the fence panels, posts and gates, and 2 years on associated hardware. These warranty periods are subject to further terms and conditions, please see the Urban Group Warranty 2023 document for full warranty information.
